ENTRY DETAILS

Your entry must answer the following:

Submission Category

- Design
- Material
- End of Life

What your material, product or process is:

What your material, product or process does/how it works:

When your product, process or material was developed or introduced to the marketplace:

Why you think your material, product or process is innovative and should win the awards. Please consider the judging criteria when answering this question (innovation, environmental impact, market impact):

The impact to the plastics industry based on your company’s innovation:

What your company or organization does:

Your entry should not exceed 750 words, also may include photographs and may be supported with samples, marketing brochures and/or technical documentation. All entries must include a copy of this completed and signed entry form.

Completed entries should be submitted to Patricia Lovell at plovell@plasticsindustry.org.

You acknowledge that you have read the Official Rules and agree to be bound by them. You represent that you are at least of eighteen (18) years of age and have the power and authority to act on behalf of the company identified in your entry form and submit this entry. The company represents and warrants that it owns or has the necessary licenses, rights, and permissions to use the material, product, or process identified.
